#### Personal Statement:

Note: you should copy paste your statement on after it is finalized from a Word Doc. Check your spelling and be sure not to copy any part of it. UCAS runs a plagiarism check on all statements.

**Note:** Sometimes when you paste your work on, it will show as a few more characters than your word document so you may have to fix it. Try to have 3995 characters (with spaces) max on your word document. You are allowed no more than 47 lines so do not leave lines between paragraphs. Start a new line to show a new paragraph.

When you have fully completed all sections on the UCAS form, you will see all the sections on the left of your screen appear in Green with a tick next to them.
