# 1 UNIFORM POLICY

Our school introduces a new uniform for all students, starting from the upcoming academic year (September 2025). This change follows careful consultation and is aimed at enhancing student comfort, promoting inclusivity, and reinforcing a strong sense of unity and identity within our school community.

## 1.1 Implementation and Transition Plan:

- For Class 1 students, the new uniform will be mandatory from the start of the 2025 academic year.
- For students in Classes 2 to 6, we are offering a one-year transition period. During this time, students in these classes may continue wearing the existing uniform if they prefer. However, please note that mixing elements of the old and new uniforms is not permitted.
- From the 2026 academic year onwards, the new uniform will be compulsory for all students.

## 1.2 Uniform Policy Enforcement:

- If a student is not in proper uniform, or their appearance is deemed unacceptable, they are sent to the Deputy Headmaster in charge of discipline and if not available, to one of the Headmasters or any available Head of Department as soon as possible.
- On the first offense, students will be sent home for the remainder of the day and must report to a Head of Department the following day to verify that they are wearing the correct uniform.
- Failure to report to any Head of Department, as instructed, will be considered a serious offense of insubordination and will be directly referred to the Discipline Committee.
- Repeated offenders are referred by the Deputy Headmaster to the Discipline Committee which will act based on the **Discipline Categories** available in the school's Discipline Policy.
